Throughout 2026, Probus Clubs across Australia will be celebrating 50 years of helping retirees stay engaged and connected in their local communities.

Probus Clubs offer a wonderful opportunity to reinvent retirement for those who have left their professional lives, or are still working part-time, and crave engagement, purpose and camaraderie. Probus Clubs meet monthly, listen to great guest speakers and participate in a wide variety of activities and trips throughout the year.

In 2026 Probus Clubs across the country will be marking this incredible milestone in a variety of ways, including special lunches, picnics, trips and joint gatherings. There has never been a better time to join your local Probus Club than the Golden Anniversary of Probus.

We encourage anyone that is retired or semi-retired to find their new social network in Probus.

With over 1,300 Probus Clubs across the country, there is a Probus Club near you.
